# Message from District Chairman

We women at Inner Wheel are courageous breed. Nothing stops us from doing good work. We went to Sunderbans, after the disastrous cyclone Amphan. We have dared to overrule Covid and worked in providing medical help,.... and what not...

Focus on educating children, specially a girl child. It is the necessity, not an option. An Educated mind is a free mind, which understands the nuances of the world, can stand for herself and for the society.

Women's health is another very important matter, where you should focus on. Because a healthy woman means a healthy family. And hence a healthy society.

Keep doing your work with great passion, bring smiles to the needy and thus change the world.

Dear president, remember that a leader is someone who demonstrates what is possible, is someone who creates a healthy ambience in the club, appreciate the members hard work and brings everyone together.

So, BE TOGETHER, WORK TOGETHER  
,INCREASE MEMBERSHIP, ENJOY  
INNER WHEEL & SEE HOW WORK  
WONDERS.

# Message from Association President

My dear friends in Inner Wheel,  
It is a great opportunity that I am talking to my dear Club champions who are second to none in terms of their efficiency and dedication, who once committed to a cause can do wonders. Dear friends, this commitment of yours is the strength that has built an enduring Inner Wheel and is propelling it on the path of sustained social work and bringing smile to the face of the needy and underprivileged. Days are not far when Inner Wheel will enter into the next league of the most dedicated, committed, change maker clubs of India. The role of the projects we have planned is to help, develop and implement educational, humanitarian, and vocational service that will bring change in the society. I am looking forward to full-fledged participation by each one of you so that we can execute our goals with substantial results. I am confident that the Inner Wheel Organization will exceed all expectations in the Vision year 2022-23. The focus now is on you and the responsibility of leadership lies on your shoulders  
How many milestones you cover!  
How many new members you inspire!  
How many lives you are going to change!  
Do remember: no matter how much you accomplish — no matter where this year of service takes you — I can promise you this: the life you change the most is your OWN.  
We have begun this journey together and together we will lead our organization to a better future. Wishing you all the success in future!!!!

# Message from IIW President's Desk

Another pandemic year has passed, and it is very pleasing to note that our Inner Wheel members in India have successfully fulfilled their mission to bring about change in the lives of those in need. Felicitations to the Pink First National Board led by its National President, SAROJ KATIYAR. You all have hurdled the volatile, uncertain, complex, and ambiguous times by excellently showing our members how to act with vision, understanding, clarity, and agility. Notwithstanding the obstacles such as distance and, of course, the threat of the virus, you bravely went on missions to show those who are disadvantaged that woman like us care for them.

As we begin another season of selfless service to humanity, I wish all the best to the equally courageous National President SURJIT KAUR and the officers of the National Governing Body. No doubt that your team is determined to Work Wonders to inspire all Inner Wheel members to do what is necessary to respond to the needs of others. Your genuine concern for making a difference in people's lives will be the strength that will carry you through these challenging times.

Cheers to all the Wonder Women of the Association of Inner Wheel Clubs of India, and praying that we all remain Strong Women as we create a Stronger World.

# From the President's Desk

Congratulations on taking up the highest post in your club.

Congratulations to your predecessor for doing a wonderful work on 'Pink first' under the able leadership of dynamic District.

The IIW theme for the year 2022-23, WORK WONDERS is a theme which doesn't restrict us to a particular direction but gives us the liberty to work towards broad spectrum for the needy and society at large.

The Association President's goal is complimenting the IIW theme, that is WE CARE.

A beautiful goal – yes, we do care from caring comes courage. Hence, do not limit yourself. Because we do care about women, about the children, about seniors, about the deprived.

# From the Editor's Desk

I am privileged for getting the opportunity to serve as the Editor for the year 2022-23 of IWC IEM and publish our newsletter PRARAMBH on behalf of all my associates of Inner Wheel Club. I don't have enough words to express my excitement for the same.

I take this opportunity to express my gratitude to our President and her team for a successful year. I extend my best wishes to our new president and her team for a glorious year ahead.

The pandemic has forcefully made us all tech savvy and we are all trying to cope with all the changes around us. In the time of the new normal our priorities have changed. As an individual our capacity is limited, but collectively we can extend our help and support to the needy and down trodden section of the society in a larger way.

This year's Inner Wheel theme "WORK WONDERS" is apt in every way. Along with our lifestyle, everything has changed around us. We should welcome the good changes and become the torch bearers to change this world and make it a better place for mankind.

I take this opportunity to thank all the Inner Wheel dignitaries for their encouraging messages and good wishes.

Thanking you,
