# From the Editor's Desk

I am privileged for getting the opportunity to serve as the Editor for the year 2021-22 of IWC IEM and publish our newsletter PRARAMBH on behalf of all my associates of Inner Wheel Club. I don't have enough words to express my excitement for the same.

I take this opportunity to express my gratitude to our President and her team for a successful year. I extend my best wishes to our new president and her team for a glorious year ahead.

The pandemic has forcefully made us all tech savvy and we are all trying to cope with all the changes around us. In the time of the new normal our priorities have changed. As an individual our capacity is limited, but collectively we can extend our help and support to the needy and down trodden section of the society in a larger way.

This year's Inner Wheel theme "PINK FIRST" is apt in every way. Along with our lifestyle, everything has changed around us. We should welcome the good changes and become the torch bearers to change this world and make it a better place for mankind.

I take this opportunity to thank all the Inner Wheel dignitaries for their encouraging messages and good wishes.

Thanking you,

**SOHINI DATTA**
